A woman wearing a bright yellow, textured knit sweater is lying on her back on a blue carpet. She is holding a grey mug with both hands. The background is softly blurred, showing what appears to be a living room with a white sofa and a window with light coming through. A black rectangular box is overlaid on the upper part of the image, containing the brand name.

Pxl Carpets is a manufacturer of high quality carpets with over 15 years of experience. In our constant search for innovation we have developed a long pile shiny carpet with a soft and smooth feel you will love to touch. Don't believe us? Feel for yourself. We are confident that you won't be able to keep your hands off.

We combine this with our state-of-the-art printing technique for an exceptional result. A high range of colours with excellent vibrancy, fluent gradients and crisp lines leaving everything open for your and our creativity.

The Pxl Carpets network is spread all over Europe and has a local partner in almost every European country to offer the best service. The designs enclosed in this brochure are all available in different sizes and colours. Contact our design team for custom-made designs.
